Auditor General's Office,

December 26, 1825.

GENTLEMEN,

IN obedience to the provisions of the 46th section of the "act of 30th March, 1811," directing the State Treasurer and Auditor General to deliver annually, statements of the financial concerns of the Commonwealth, to the Clerk of the House of Representatives, I have prepared, and caused to be printed, the following abstracts of the public accounts, commencing with the first day of December, 1824, and ending with the 30th day of November, 1825, both days inclusive; six hundred copies of which have been delivered to that officer, agreeably to the directions of the act already referred to.

The schedules from No. 1, to No. 15, give a general view of the monies received, and from No. 1, to No. 11, of the expenditures; each shewing the nature of the accounts, upon which public monies have been received, and of the claims upon which they have been paid away, during the above period; with an appendix exhibiting a statement of appropriations remaining unpaid, on the first day of December, 1825.

Very respectfully,

I have the honor to be,

Gentlemen, your

Obedient servant,

DAVID MANN.

Auditor General.
