AUDITOR GENERAL'S OFFICE.

DECEMBER, 25, 1826.

GENTLEMEN,

IN obedience to the provisions of the 46th section of the "act of 30th of March, 1811," directing the State Treasurer and Auditor General to deliver annually, statements of the financial concerns of the Commonwealth, to the Clerk of the House of Representatives, I have prepared, and caused to be printed, the following abstracts of the public accounts, commencing with the first day of December, 1825, and ending with the 30th day of November, 1826, both days inclusive ; six hundred copies of which have been delivered to that officer, agreeably to the directions of the act already referred to.

The schedules from No. 1, to 15, give a general view of the moneys received, and from No. 1 to 13, of the expenditures ; each shewing the nature of the accounts, upon which public moneys have been received, and of the claims upon which they have been paid away during the above period ; with an appendix exhibiting a statement of stocks held by the commonwealth, and of appropriations and loans remaining unpaid on the first day of December, 1826.

Very respectfully,

I have the honor to be, Gentlemen,

Your obedient servant,

DAVID MANN.
